

## **KS Dance – Risk Assessment (Events & Rehearsals)**

Activity / Location: Dance rehearsals and performance events in hired halls/studios

Assessor Name: KS Dance Management

Date of Assessment: 18th March 2026

Review Date: 18th March 2027

### 1. Hazards Identified:

- Slips/trips from bags, cables, props
- Overcrowded space during rehearsals
- Staging/lighting equipment hazards
- Loud music – potential hearing strain
- Child collection/pickup risks at events
- Fatigue/dehydration during long rehearsals

### 2. Who May Be Harmed:

- Students
- Staff
- Visitors/Parents
- Technicians/volunteers

### 3. Existing Control Measures:

- Clear spaces; bags kept away from dance area
- Regular floor checks; hazards removed

- Staff supervision at all times
- Safe warmup/cooldown routines
- Controlled entry/exit procedures for events
- Equipment inspected before use
- Earcare guidance and controlled volume levels
- First aider onsite; hydration breaks scheduled

4. Risk Rating (Low / Medium / High): Medium

5. Additional Control Measures Required:

- Marked safe zones backstage
- Extra volunteers for crowd movement
- Ensure electrical cables taped/covered
- Dedicated sign-in/out point for students

6. Person Responsible for Actions: KS Dance Management / Event Lead

7. Date Actions Completed: 18th March 2026
